(b) Whenever a complaint is received, the AESBL staff will review the information provided regarding the complaint. Additional information may be requested in order for the staff to determine if there is sufficient reason for a formal Administrative Complaint to be accepted. If it is determined by the Executive Director upon review of the information provided that a formal Administrative Complaint is not warranted, the complainant will be notified in writing of the reason why the Board will not accept a formal Administrative Complaint. If it is determined that there is sufficient reason or evidence to pursue a formal Administrative Complaint, a form, with potential violations noted by the staff, will be sent to the complainant to complete and have witnessed or notarized. Upon receipt of the completed Administrative Complaint form, it will be assigned a unique identifying number.

(c) If the Board receives more than one complaint concerning related allegations against the same licensee, the Board may consolidate the complaints for purposes of review, investigation, responses, and disciplinary action.

(2) Investigative Committee

(a) The Investigative Committee will be comprised of one member of the Board, the Executive Director or his/her designee, the Board's Compliance Auditor and the Board's attorney. The Board member shall be assigned to the Investigative Committee on a rotating equitable basis. (b) The Board member who participates on the Investigative Committee regarding a complaint will recuse himself or herself from any participation in the hearing and determination of the complaint.

(c) The Investigative Committee may require the licensee to attend a meeting of the Committee to aid in investigating a complaint.

(d) If the Investigative Committee finds that probable cause exists, the Investigative Committee shall recommend disciplinary action by a majority vote of the committee. The licensee shall be notified by regular mail of the Investigative Committee's recommendation for disciplinary action and the licensee may either agree to said disciplinary action, request a hearing within thirty (30) days, or enter into informal settlement agreement with Board counsel.

Any discovery must be clearly related to the allegations contained in the Administrative complaint.

If heard by the Board, the Board's attorney shall produce written findings of fact and

conclusions of law for the Board's approval at the next scheduled board meeting. After approval or modification of the findings of fact and conclusions of law, the board shall, by a majority vote of the Board, issue an order recommending disciplinary action against the licensee or dismissing the complaint.

(i) The Board (with the exception of that Board member who served on the Investigative Committee for the complaint and any other board member who is biased or who has a conflict of interest) will review the recommended findings of fact and conclusions of law and determine whether they should be adopted, amended or overruled. If a majority of the members of the Board are unable to vote because of bias, conflict of interest or service on the Investigative Committee, the Hearing Officer's findings of fact and conclusion of law will constitute AESBL's final order.

(j) The Board will issue a final order containing its findings of fact, conclusions of law, and discipline, if any. This final order shall comply with the requirements of Section 41-22-16 of the Code of Ala. 1975. A majority of the Board members rendering the decision must reach accord for the decision to be final.

(k) The Respondent may appeal a final order of the Board to the Circuit Court of Montgomery County. Said appeal must follow and meet the requirements for appeal as stated in Ala. Code §41-22-20.

(4) Informal Settlement

(a) Board counsel is authorized to enter into settlement negotiations on behalf of the Board.

(b) Neither the Board nor the Licensee is obligated to participate in informal settlement negotiations or to enter into an informal settlement agreement.

(c) If the Board and the Respondent do enter into an informal settlement agreement, that settlement agreement will be memorialized in a Consent Order, which must be signed by the respondent or its agent and the Executive Secretary of the Board.

(d) A Consent Order must contain a recitation of the facts giving rise to the allegations, a citation to the code or regulatory sections involved in the allegations, a statement of the terms upon which the parties have agreed to settle the case, and must state that the agreement is not effective unless and until the Board approves the agreement at its next meeting.

(e) No informal settlement will be final until a majority of the Board approves it at the next meeting of the Board.

(f) The Board member who served on the Investigative Committee may present the proposed settlement to the Board, but may not participate in deliberations regarding whether to accept it and may not participate in the vote on whether to accept it.

(g) If the Board approves the terms of the informal settlement agreement, the Chairman of the Board will sign the Consent Decree on behalf of the Board. The Consent Decree is effective from the date of signature of the Chairman of the Board, unless the Consent Order expressly provides otherwise.

(h) If the Board does not approve the terms of the settlement agreement, the Chairman of the Board will not sign the Consent Order and the Consent Order will not take effect. The matter will be referred again for formal hearing.

(i) The terms of the informal settlement agreement must serve the public's interest.

(c) Violation of any of the Alabama Electronic Security Board of Licensure's Code of Ethics, rules, regulations, or statutory provisions.

(d) Failing to maintain insurance coverage as required by Law and Regulations.
