

## Alabama Electronic Security Board of Licensure CEU Reporting Form

All CEUs submitted must be approved by the AESBL and listed on our website or must qualify for CEU credit under the guidelines posted on our website.

Qualifying Agents and Installers who do not have current valid Training Certificates (Level 1, Level 2 or ABAT/Advanced Intrusion Systems Course, CCTV, or Electronic Access Control), Locksmiths, and Salespersons must complete this form to document equivalent Continuing Education Training.

**Biennial minimum required Continuing Education Training. All applicants, including Qualifying Agents, Installers, Locksmiths, VSP, and Salespersons, must submit 16 hours of continuing education upon license renewal. First-time applicants with expired certification training must submit 16 hours of continuing education units to update certifications.**

To report continuing education training to AESBL, you must complete and sign this form. Attach the original or a valid copy of each training certificate received.
